I've heard some things ...

Why you... Do you know what that Princess has done...?

We should overlook some of the things she does.

That child was kidnapped and forcefully separated from her family all of a sudden...

The Kidnapper

So that's what you're trying to say huh, I see, I see...

Is that so... Is that what you think, Rinsu?

OH...?

Perhaps... You've become a little narrow-minded?

So, do you think you can say that one more time...P

Pfft...

The female squad wasn't available for the time being, so... We can only use this device to watch!

It's footage from an observation team we put on the Princess. It's still a little fuzzy though...

Ohh...

It's the Princess!

She's on screen!

Of course!!

Little Sister

Big Brother

Note: On the tree's back is "Sayer", which is taken from her name, "Sayara".

Hm?

Demon Monk

The area boss who manages the Demon Church

Eh...
Ah...
Is it true...?
Hm-?

Are we done here?

He's the Princess's wood...

Bad Siberian Kai

The Demon King's faithful dog who maintains order

You're really trying, aren't you...?

Well... The Princess's abduction... is all of the demons' fault, I guess...?

...Yeahhh...

Eh... Then, what's... that...?

Hm?

 Hana Akutsuki

The hero who departed to rescue the Princess. No matter how many times he mentions his name, the Princess doesn't remember him.

And she's a hostage too...

She's making a happy face in her sleep, you see...?

Who are you?

How impolite!

Are you... really human ...?

She apologized to the Demon King and the others, for now.
